Hi Jim,  
Are you ok with editing the response to this Q below to include EPA in the response? Per R7 email below, RA ok if you're ok.

**Question 4:** Would the agencies expect that enactment of H.R. 4100/S. 2306 would accelerate remediation of the West Lake landfill?

Carolyn,

As long as you get OLEM concurrence, Mark agrees with adding EPA to Q4 response.

Hi Curtis,

The Corps was delayed in reviewing our input on the tech assistance doc, and they have a few suggested edits and they also ask if EPA also wants to comment on Q4 re: whether the legislation would expedite cleanup. I would be fine to edit the response to be from both of us. Let me know your thoughts.

Thanks,  
Carolyn
